

Math Teacher Job Description

Warwick River Christian School is a PreK – Grade 8 school sponsored by our 3 local Mennonite churches. We are looking for a middle school math teacher for the 2017-18 school year who is credentialed and licensed to teach general math, pre-algebra, and algebra. This position would more than likely be part-time; however, there is the potential to add responsibilities to make it more of a full-time position if necessary

Qualifications

- BA or BS in Education, with math certification to include Grades 6 – 8
- Strong interest in Christian education
- Participates actively in a congregation of Christian believers

How to Apply

Email resume to Jenny Shenk Mahone:

jmahone@warwickriver.org

I will send interested candidates an application to complete.
